Subject: 4th Quarter Water Data in Pipeline

Lady and Gentlemen:

The 4th Quarter water monitoring data for Dugout Canyon Mine, Soldier Canyon Mine and Banning Loadout are ready to be downloaded into the database. If you have any questions please contact me at (435) 636-2869.

There is a problem with two sites in the Dugout data - PC1A and Fan. Both files have the statement "Non-calculated lab and lab ID duplicated in EDI Delete One"

Would you please see if you can resolve this problem so I can approve these two sites for downloading.

Thank you. Vicky Miller
